

National Christ Child Society
Uniting to Make a Difference

Membership Workshop

Our members represent the heart of the Christ Child Society by generously giving their time, talent and treasure in support of our mission.

The **three R's** in membership are simple:

- **Recruit** new members to allow us to continue to impact our communities and meet their growing needs
 - **Retain** current members and keep them engaged in your chapter
 - **Recognize** members for their dedicated service and contribution
-

Membership Facilitators:

Thank you for working together to discuss and share membership ideas, challenges and solutions. We will prepare a document summarizing the workshop and distribute it to all attendees following conference.
