

October Monthly Connections

You asked. We listened.

At the convention, chapters asked for templates on how to measure the success of their programs and events. We are collecting different examples: Maybe you have a way of reviewing what goes in your layette or you have a great system for distributing who gets coats. Please send your template to NCCS Board Member Pat Galvin, Pgaltin@nationalchristchild.org

We'll be sharing all these examples with your Chapters soon.

Join NCCS on Wednesday, October 28, at 7:00 p.m. ET for a discussion of *What You Are Looking for Is in the Library* by Michiko Aoyama, a four-star Goodreads favorite. Please [RSVP HERE](#) The Zoom link will be sent on Tuesday, October 27.
