**"When you create a difference in someone's life,
you not only impact their life, you impact

The National Christ Child Society (NCCS) Ripple Effect

This past year, Christ Child Society chapters have expanded outreach, increased membership, and strengthened community engagement through impactful events. Many chapters develop new programs that are inspired by NCCS internal publications or by attending conferences

and conventions. Columbus's foster care program was influenced by the initiative presented by South Bend at the 2022 Tucson Convention. The Phoenix chapter created a hygiene kit program after learning about Cleveland's program. The Stuart chapter initiated a new hygiene kit program in 2024, inspired by similar chapter programs featured in the NCCS Monthly Connections.

These examples demonstrate the ripple effect made possible by your support. As a result, children are benefiting from these initiatives, and chapters are growing their membership. The Christ Child mission and values continue to thrive.

Thank you for being part of our community!

Sincerely,

Katie Gantner

TODDLER BAG PROGRAM

The Christ Child Society Milwaukee chapter's (CCS Milwaukee) Toddler Bag Program as an offshoot of its successful My Stuff Bags program. The Toddler Bag program is for 9-, 12-, and 18- month-old children. CCS Milwaukee hopes to expand the program soon to include essentials for 6-month-old children as well. The bags include everything from onesies and sleep sacks to hooded towels and shampoo. They also provide diapers upon request. Last year, CCS Milwaukee donated more than 100 bags to local shelters. The Toddler Bag program has been met with enthusiasm and appreciation from shelters in the Milwaukee area and it has expanded to two other Christ Child Society chapters. The Washington, DC chapter (CCS DC) initiated a Toddler Bag program three years ago. The social media posts created by CCS DC about their Toddler Bag program prompted the Summit, NJ chapter to inquire about starting a Toddler Bag program in their community. The development of Toddler Bag programs by various chapters is another example of the ripple effect.

HYGIENE KITS ARE BECOMING INCREASINGLY POPULAR

In 2024, the Stuart, Florida chapter (CCS Stuart), learned about another chapter's successful hygiene kit program in one of our publications. As a result, they launched their hygiene kit program. Each kit contains toothpaste, a toothbrush, deodorant, shampoo, conditioner, dental floss, and body wash. CCS Stuart now distributes 30 kits quarterly to boys and girls at an after-school program in Banner Lake, Florida, called B.L.A.S.T. (Banner Lake After School Time). The parents and children who receive the hygiene kits at B.L.A.S.T. appreciate and look forward to them. In addition to CCS Stuart, other chapters that have initiated similar programs include: Baltimore, Cleveland, Fort Wayne, Phoenix, Toledo, Dallas-Fort Worth, El Paso, and Western Reserve. Other chapters plan to develop similar programs in the future. The spread of these ripples continue to be created in other chapters mirroring MVM's famous quote, "To see a need is to fill it".
