Books Distributed	135,110	137,018	+1,908

NATIONAL CHRIST CHILD SOCIETY

WHERE LOVE LEADS TO ACTION

Dear Donors and Friends,

This year's Impact Report highlights the efforts of 45 Christ Child chapters across the United States. Each chapter develops programs tailored to their community's needs, all participating in the signature Christ Child Layette program.

In 2025, Christ Child chapters served 102,821 children, an increase of 3,126 from 2024. Every act of service strengthens communities, which is the mission of each Christ Child Society chapter alongside the National Christ Child Society office. While the impact may not always be immediately visible, the year-end numbers show that children and families' lives are genuinely affected in a lasting way.

Thanks to supporters like you, every donation, every smile, and every caring moment truly makes a difference in a child's life. Together, we're building stronger communities right where we live. Let's continue spreading kindness to children and families in need!

Sincerely,

Katie Gantner
National President

National Christ Child Society

Board of Directors

2024 - 2026

President:

Katie Gantner
Detroit, MI

CCS South Bend: Making a Difference, One Diaper at a Time

The CCS South Bend Diaper Drop became far more than a collection drive for the chapter. It evolved into a powerful community tradition rooted in generosity, teamwork, and compassion.

This year's drive collected over 43,000 diapers. What made the Diaper Drop especially meaningful was its direct impact on the community. Donations are carefully tracked and distributed to 10 partner organizations. Member involvement remained at the heart of the project, with about 35 volunteers helping run the event, and others contributing supplies and support.

Publicity also played a key role in this year's success. Local television stations provided extensive coverage, interviewing organizers live eight times between 5:45 a.m. and 9 a.m. Social media promotion throughout the day, led by CCS South Bend member Beth Barrett, helped sustain momentum online through updates, photos and television highlights. Many non-CCS donors said they learned about the drive through Facebook posts and local news coverage, inspiring them to contribute.

Held in conjunction with Mother's Day, the Diaper Drop resonates naturally with the community's desire to support babies and young families. Combined with strong participation from churches, schools, businesses and family-serving agencies, the event continues to grow in both visibility and impact.

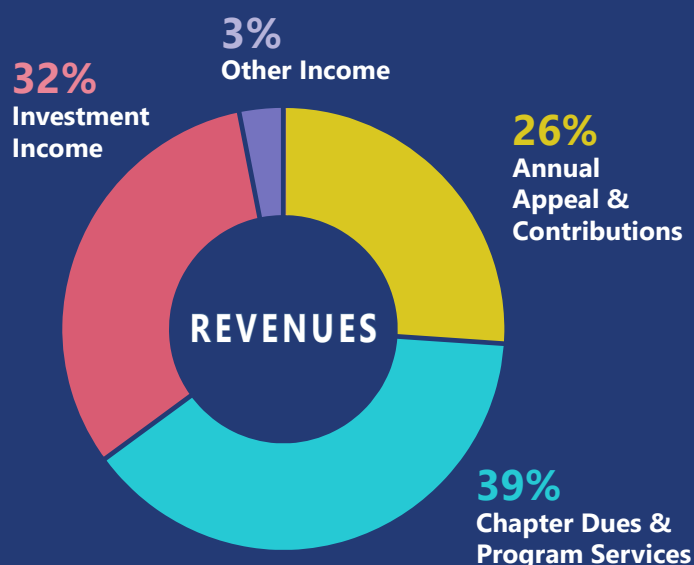

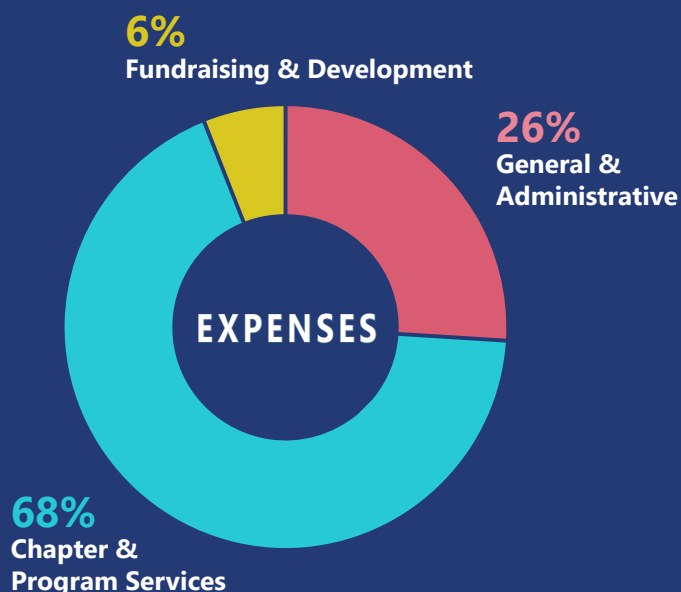

More than a fundraiser, the Diaper Drop demonstrates how a community can unite to meet a basic but essential need — one diaper at a time.

See the media attention in South Bend, click here:

Thank You!

A very special thank you to all of our donors large and small. Your generous support and contributions have made a lasting difference in the lives we serve. In 2026, we are focused on growing our membership and expanding our chapters so we can positively impact and serve even more children in our communities. We sincerely appreciate your ongoing partnership in creating a meaningful impact for children.
